Such license tag shall be issued annually on or before the first day of April of each year. In case of the loss of a tag from any dog, to which the same has been legally issued, on presentation by the owner of the city certificate to the city clerk, covering the tag originally issued and lost, a new certificate marked "duplicate" shall be issued setting forth the number of the new tag, with a copy of said new certificate being given to the owner, upon payment of a fifty cent (\$.50) fee. 10-207. Enforcement of chapter and disposition of impounded dogs. Any member of the police department, or any other person so designated by the city manager, shall be authorized to enforce this chapter and shall be authorized to take charge of any dog which is kept on properties located within the corporate limits of Elizabethton, that does not have a current license tag, or any dog or other domesticated animal which is vicious or has a propensity to bite human beings as defined in this chapter, or any stray dog. If said dog is wearing a license tag, the owner shall be notified by a postcard addressed to his last known mailing address to appear within five (5) days and redeem his dog or the same will be destroyed or disposed of as hereinafter provided. If said dog is not wearing a license tag, the same shall be destroyed or disposed of as hereinafter provided, unless legally claimed by the owner within two (2) days. No dog shall be released in any event from a pound unless and until it has been vaccinated and licensed as provided herein.

No dog which has been impounded and not redeemed by its owner shall be given away or sold by the pound master; however, the adoption of an impounded animal is hereby specifically allowed, after the animal has spent the required time in the pound, and after the individual requesting adoption has purchased the city dog tag and has had the animal inoculated against rabies.

Before any dog which has been impounded as hereinabove provided can be redeemed by its owner or any other person, such redeeming party shall be required to pay for the privilege of such redemption a charge or fee in the amount of thirty-five dollars (\$35.00) and such fee or charge may be paid at the office of the city clerk, the receipt for payment of which may be used for redemption of said dog.

If the same animal is impounded a second (2nd) time, within a one year period, the redemption fee shall be seventy-five dollars (\$75.00).

If the same animal is impounded a third (3rd) time, within a one year period, the redemption fee shall be one hundred fifty dollars (\$150.00). (1982 Code, § 3-207)

10-208. When pound master will pick up a dog. When a person is molested by a dog or other domesticated animal which he deems to be vicious, the pound master shall not be required to pick up such animal unless said pound master shall, from his own observation, determine that said animal is or appears to be of a vicious nature, or unless said animal is a dog not wearing an unexpired license tag, or unless the person so complaining shall swear out a warrant against the owner of such animal. In the latter event said animal will be picked up by the pound master and held awaiting the trial of the issue between the owner of the animal and the person filing the complaint.

In all cases where a dog or other animal has bitten or broken the skin of a human being, and where the doctor treating the patient so bitten is of the opinion that the animal should be quarantined, the animal shall be confined by the owner at the city pound for a period of not less than ten (10) days. The owner of the animal shall bear the expense of its upkeep during the period of confinement. The pound master shall be authorized on any such occasion to go upon private property, if necessary, to pick up the animal known to have bitten or broken the skin of a human being, for the purpose of the enforcement of this provision of this chapter.
